WARRENMANG WINE TASTING NOTES

Warrenmang wines are renowned for their quality and long term cellaring potential.

Grapes from the low yielding 30+ year old vines are hand-picked, basket pressed and hand crafted to create the finest quality wines of distinction

Make sure you choose some of these splendid wines for your drinking pleasure.

2009 BAZZANI Chardonnay The palate exhibits fresh pear, melon and citrus flavours which persist. The light oak treatment adds mid palate body and complexity. The wine finishes with soft, creamy and nutty characters from the lees stirring. Refreshing and versatile the 2009 BAZZANI Chardonnay will complement a wide range of food and occasions.

2007 BAZZANI Shiraz Cabernet – This generous wine has been crafted from a very low yielding 2007 vintage in the Pyrenees. The blend of shiraz and cabernet sauvignon adds complexity to the aroma and flavour. The wine exhibits ripe blackberry and blackcurrant fruit flavours which persist through the palate giving great length. The wine is full bodied with soft fine ripe tannins. The rich fruit flavours are complimented by cedar and savoury oak characters from the extended oak maturation. This complex, stylish and generous wine is perfect for current drinking or cellaring 2-3 years.

2007 BAZZANI Vinello – Vinello brings together four beloved Northern Italian varieties, Dolcetto, Nebbiolo, Barbera and Brunello. The 2007 Vinello exhibits the classic Pyrenees spice and dark berry flavours over a rich, earthy, savoury and truffle like complexity expected of these varieties. Jeni Port says it is the most underrated wine in the Warrenmang portfolio. **Can be served chilled, ideal match with Asian and Mediterranean dishes.**

BAZZANI SALUTÉ a wonderful Pyrenees sparkling Chardonnay & Pinot Noir perfect for any celebration – lovely fine persistent bead with crisp and clean finish... limited, very popular. Perfect for any celebration.

2009 Warrenmang Estate Sauvignon Blanc – the fruit for this wine was picked at optimum ripeness which is reflected in the many tropical flavours present. Vibrant in colour, the palate is crisp and clean with added complexity and depth due to a hint of exposure to oak barrels. Ready for immediate enjoyment.

2008 Warrenmang Estate Chardonnay – The 2008 Chardonnay exhibits complex aromas of melon and peach with a touch of butterscotch. The palate is full with superb balance between the fruit and vanillin oak gained from careful maturation in new and one year old French Barriques. This wine will age wonderfully and gracefully with cellaring potential of 7 years plus.

2006 Warrenmang Estate Grand Pyrenees – Blended cabernet franc, cabernet sauvignon, merlot and shiraz ensures there is a wonderful abundance of flavour and complexity. Each variety was fermented, pressed and matured separately in French and American oak for two years. The palate is full and persistent with subtle oak and fine, balanced lasting tannins. **5 STARS – Australian Wine Vintages Gold Book 2009 89/100 James Halliday**

2006 Warrenmang Estate Shiraz – The hand picked fruit is sourced entirely from Warrenmang's low yielding, non-irrigated estate vineyard. Fermented in small open vats, basket pressed and matured in French and American oak for 18 months, the wine displays complex spice, plum and pepper that reflects its own unique terroir as it has done for over 30 years. Cellaring optional 5-10+ yrs. **This wine has a 30 year pedigree that speaks for itself. Always a 5 star wine. 5 Stars Winestate Magazine 2010 Top of category, Best New Releases Central and Western Victoria**

2007 BLACK PUMA Shiraz – Grapes designated for the Black Puma were crushed to open fermenters to ensure maximum colour and flavour extraction. True to Warrenmang's philosophy of traditional wine making, the wine was hand plunged twice daily on skins and then basket pressed. Matured for over 30 months in French oak. The wine displays intense blackberry and dark cherry fruit with a hint of spice. The rich fruit persists through the palate giving great length. The tannins are fine and soft adding to the wine's weight, whilst the French oak compliments the fruit adding to the overall complexity. Very limited quantities available of this vintage. **Released Nov. 09 Very limited quantities**

Torchio Blue multi vintage Aged Pressings– SERIOUSLY LIMITED QUANTITY Colour: Dense purple with ruby hues **Nose:** Aromas of ripe blackcurrant, blackberry and dark cherry fruits with a hint of eucalypt and spice and cedar oak barrel complexity. **Palate** From exceptional vintages over the last decade Warrenmang has kept aside the robust and powerful basket pressings of Pyrenees Shiraz and Cabernet Sauvignon. With their fortress-like tannin structures when young, these wines have mellowed with the years to become the basis of a palate that is rich and mouth filling. By carefully selecting and blending the best of the barrels this wine has been assembled to exhibit immense power and balance. The layers of fruit are entwined through this structure, their complexity derived not only from varietal and seasonal peculiarities, but also from the integration of their age. From the ripe blackberry and spice of the Shiraz, to the blackcurrant and earthy tobacco of the Cabernet Sauvignon and inky Dolcetto it has melded perfectly with cedar and chocolate from barrel ageing. **RELEASE DATE EARLY 2009 Huon Hooke writes about Torchio Aged Pressings**
"The other extraordinary Warrenmang red is a pressings wine.... generally very dense, tannic and fleshy, but if well made the tannins are especially supple. Warrenmang's is called Torchio Aged Pressings - another one off, ... and a marvellous wine to boot. Mellow, meaty, gamy aromas give way to rich fruit sweet blackberry, plum and raisin flavours of great complexity and the palate is laden with soft, rich tannins. ... an audacious technique"

James Halliday 94/100 An outstanding Wine

5 Stars Ralph Kyte-Powell The Age Epicure March 2010
